

Team MC Device Agreement

I, _____, agree to follow the district and classroom technology rules and use my technology for educational purposes only.

___I will always keep my device on the table, out of hands when I am not using it.

___I will only be in the application or webpage that I am supposed to be in.

___I will remember it's one and done.

___I will always use technology for educational purposes.

___I will always leave wallpaper and other HCSD settings in their original state.

___I will never have food or liquids around my device at any time.

___At the end of every day I will clear my device of any open apps.

___I will always return my device at the end of the day to its charger.

___I will make sure that I carry my device appropriately and know where it is at all times.

By using these devices I acknowledge my role as a responsible digital citizen.
